

Career Cruising Course Selection Instructions

1. Plan your course selections in consultation with your parents/guardians and teachers.
2. Choose **My Courses** in Career Cruising. This is how all Grade 8, 9, 10, 11 and 12 students sign up for courses for next September. Career Cruising is a fantastic program for doing Career and future Pathways Planning.
3. You can login to the Course Planner by going to www.wcdsb.ca/planner.
4. Your Username starts with *wl/-* and the last 5 numbers of your student number and the first 3 letters of your last name, example: wl-96427bam
5. Your initial Password is your birthdate: mmddyyyy - example: 02291997. Most students have changed their passwords. Your classroom teacher or guidance counselor will have your password information.
6. The first time you enter the site you will be prompted to change and confirm a new password and also to enter your e-mail address to retrieve your password information.
7. On the next screen select **Choose My Courses**
8. You are then brought to **My Course Plan**. Using the mouse rollover + signs by the courses, choose the level and course that best fits you. Once done this, remember that you can choose your Grade 10, 11, 12 courses too, and change them anytime.
9. SUBMIT - very important button! Grade 8s - you have until February 29th to finalize your courses, review your teacher recommendations with your parents and press SUBMIT.
10. Please DO NOT click SUBMIT until you are absolutely sure of your course choices. If you click SUBMIT you will not be able to make changes to your courses. Guidance at Monsignor Doyle will have to help you change the courses.
11. Print **Course Selection Sign Off Sheet**. Get it signed by your parent/guardian and return to your teacher.
12. THE COURSES YOU CHOOSE ARE THE COURSES YOU WILL BE IN NEXT YEAR! CHOOSE WISELY!
