

SCHOOL START UP INFORMATION 2019-2020

NEW PROCEDURES & TIMELINES

Dear Families,

The Waterloo Catholic District School Board continually strives to find new and improved ways to become Eco-friendly. Beginning with the 2019-2020 school year, Monsignor Doyle C.S.S. will be going paperless.

All School Start Up information will be completed through School Cash Online.

The purple Student Verification Form will be the only document printed and provided to students. As per WCDSB policy, no paper copies or cash will be accepted by the school.

School Cash Online will be used throughout the year for other school related activities such as field trips, dances, sports, etc.

If you do not already have a School Cash Online account, please go to <https://wcdsb.schoolcashionline.com> and register by June 1, 2019.
