

Together, we are Canada's lifeline

**Because of donors like you, Sheldon
is able to wake up healthier each day.**

Sheldon Vitorino is a grade 11 student at Monsignor Doyle High school in Cambridge. On September 18, 2017 Sheldon and his family were given the heartbreaking news that Sheldon had Acute Lymphoblastic Leukemia (ALL). Over the past 1.5 years Sheldon has received many red blood and platelet transfusions and expects to receive more throughout his three year treatment protocol.
